**Where is God in Your Life?
“HISSTORY”**

Join us as we gather together as Christian men to hear our pastor reflect on his own personal journey as a brother, teacher, son, friend and priest; as he looks back at his own life and the critical times when God was present for him. With over 30 years at St. James and a lifetime of emotional experiences, it's sure to be a story you won't want to miss.
